Sir:

In the above-identified application, Applicant filed an Issue Fee transmittal form, Part B, and paid the issue fee for small entity, on December 1, 2009. However, the form filed was for a different case (Application No. 10/989,381), which application was entitled to Small Entity Status, and was inadvertently incorrectly filed in the present application. Applicant notes that this form is related to a different, and totally unrelated, application. Accordingly, Applicant requests that the Issue Fee transmittal form filed on December 1, 2009, be expunged from the record in the present application.

Applicant is submitting herewith the correct Issue Fee Transmittal form, Part B, for the present application.
